Temple University graduate seeking a junior level front end developer position after completion of Treehouse's online Front End Development Beta TechDegree program in June 2016.

Education

Treehouse Front End Development Degree Expected June 2016

Completed coursework, 11 sample front end development projects and built a profile, will complete a final portfolio and final exam in June 2016.

Temple University B.A. Journalism in May 2013 GPA 3.71, Minor in General Business

Received full merit scholarship, graduated cum laude and completed Honors curriculum
Sam Singer Reviewing Award by Temple Journalism Department 2013

Experience

Greater Philadelphia Cultural Alliance Community Engagement Fellow June 2015 – present

I create content for GroundSwellPA.org and social media around community arts organizations in Philadelphia as well as create our monthly newsletter.

Generocity.org Reporter September 2013-June 2015

I wrote news and feature articles, edited articles, managed a small team of freelancers and managed Generocity.org's social media (Facebook, Twitter, Instagram) as well as wrote occasional feature posts on social impact in the Philadelphia region.

Adult Ballerina Project Founder/Editor/Manager September 2012-present

I designed and coded this online magazine using WordPress' Genesis theme as well as publish how-to posts and interviews with ballerinas, ballet instructors and professional ballerinas.

Technical.ly Philly Multimedia Intern September 2012-December 2012

I covered technology in Philly as part of Temple's Philadelphia Neighborhoods program.

Freire Charter School IT Intern and Assistant June 2012 – August 2012

Performed computer maintenance, troubleshooting, set-up, reimaging and other tasks.
